

¿Cómo es tu casa?

Interview 5 people to find out what rooms they **do have** and **do not have** in their home. You ask the other person to describe their home to you using the phrase "**¿Cómo es tu casa?**". They should respond using "**En mi casa hay...**" for the rooms they do have and "**En mi casa no hay...**" for the rooms they do not have. Record the answers of each person by putting a tick ✓ in the box for the rooms they do have and a cross ✗ in the box for the rooms they do not have.
